1915 LITERARY 1940 ANNUAL

Editor-in-Chief.....Maurice Breese
Business Manager.....Grace Wiswell

Foreword

We, the class of 1940, in publishing this Mizpah are celebrating the twenty-fifth anniversary of this annual. We have endeavored to preserve by pictures and articles the important activities of the past year. We hope this will recall to everyone many happy incidents that have happened during the past and will serve as a friendship token in days to come.

A Tribute to

The class of 1940 wishes to pay tribute to Mr. Barker, our adviser and friend during our junior and senior years.

School Grounds

We, as members of the senior class, wish to take this opportunity to thank all of the people in the community who have helped better our school grounds and our athletic field by giving us their utmost cooperation in working out a financial program.

We look upon the swimming pool, the tennis courts, and the recreational grounds as an asset to the community and hope that in future years they will prove pleasurable to everyone.

G. G. Denton

Charles Dumbaugh

L. C. Dye

Roy Linn

O. E. Smith

Board of Education

The Mt. Gilead Board of Education becomes more important to the student body every year. Each year finds a closer association and cooperation between the board and the students.

Due to the tireless effort of the members, many helpful and useful projects have been successfully accomplished with the aid of the entire community.

DWIGHT L. MUSSELMAN

The student body has been proud to have as its superintendent, Mr. Musselman, who has helped us by generously contributing to our welfare and guiding us in our curricular and extra-curricular activities.

Mr. Musselman graduated from Bluffton High School in Bluffton, Ohio. He also graduated from Bluffton College where he received a A.B. degree. He received his M.A. degree from Ohio State University. He has had fourteen years teaching experience.

Administration

ORVILLE H. FARRAR

Mr. Farrar has done much to forward school interests during his first year with us. We appreciate the co-operation he has extended to the student body and faculty.

Mr. Farrar graduated from Byesville High School in Byesville, Ohio. He attended Ohio University at Athens, Ohio, and received a B.S. degree in Education and an M.S. degree. He has had thirteen years teaching experience.

Class Will

We think Class Wills are a thing of the past,
Yet we have qualities we'd like to have last,

Characteristics to be passed on along
To some of the students of the younger throng.

But Editor **Morry** bequeaths nothing at all
He says he's going to need all he has next fall.

But **Bonny** is more generous; her typing skill
She leaves to Jane Wieland to try if she will.

And **Connie**—we know she won't leave you her **Lee.**
But to leave his studies, **Tuffy** happy will be.

Clapper also has something to share:
Her hearty laugh, Connie Loren must bear.

O'Shaughnessy leaves all his knowledge, which isn't too much,
To John Osborn who has little need of such.

Peg and **Martha** will leave their vocal cords behind,
To the younger three who are doing fine.

And **Page** leaves Fulton for wider roads,
Just who gets Fulton, nobody knows.

With a sigh **Bill Batchelor** leaves his trumpet behind
And it's up to Don Clemm to keep up the time.

Dot Miller, too, leaves her crooning songs,
To that new Cleveland gal, Miss Dorothy McCombs.

Ginny Krout leaves her horses, (with Ozzie's sleigh)
And **McMillan** leaves work at night to work all day.

Shelpman leaves her clarinet which we shall name Joe,
While **Jack Logan** leaves his fondness of the small word "no".

Jim Davis leaves his ability to sleep and to eat
To Bob Miley who shall undertake the remarkable feat.

Gracie's ability as an artist she leaves to D. Klotz,
And **Morton**'ll leave her sophomores as likely as not.

Jean Haines leaves her precious ability to talk,
And **Baker** and **Coning** both leave for a walk.

Geyer leaves her form, and **Brown** leaves his nose—
As honored "Gong" winners perhaps they should pose.

Hudnell was going to leave **Furbay**, but changed his mind,
So now **Klotz** will keep steady to be up with the times.

Fleet Parks leaves his job as treasurer to any poor sucker
Who happens to get elected at a famous "bean" supper.

All the farmers we have will leave "hey" like the rest;
Let's see, we have **Barler, Vaughan, Wagner,** and **West.**

We find **Gompf** and **Shipman** are farmers, too,
So they'll leave what they don't take to each one of you.

Dot Richey, M. Richardson and **V. Tuttle,** each one,
Leave to everyone their ability to have lots of fun.

Edna Shier and **Donna Park** leave their ability to get lessons,
But it won't do anyone good if they don't quit this messin'.

McCamman with regret leaves her music box.
And **Lucille Helman** wants to leave her "hot socks."

The **Hart** twins leave their ability to look like each other,
To Chuck and Bob McNeal who are each other's brother.

Ed Whipple leaves his love of work to Jim Fate,
And **Campbell** leaves to Phillips his ability to date.

Ruhl, Tharp and **Bendle** leave their art of bowling,
And **Peoples, Lee** and **Losey** leave their fondness of strolling.

Ilena Gregory in speech leaves her imagination,
And **Betty Hirth** in home ec. leaves her own creation.

Wiseman won't leave anything, but wants to take all,
And **Elva Etter** leaves her ability to type to the students next fall.

Watson leaves her physics' problems to next year's class,
And **Denton** and **Edgell** leave school in the past.

Now this will include all the seniors (we hope we're not wrong),
So please, fellow students, remember us after we're gone.

We don't want to brag, but here's just one more rule,
To all the other classes, we leave a grand school!
P. S. Faculty included.

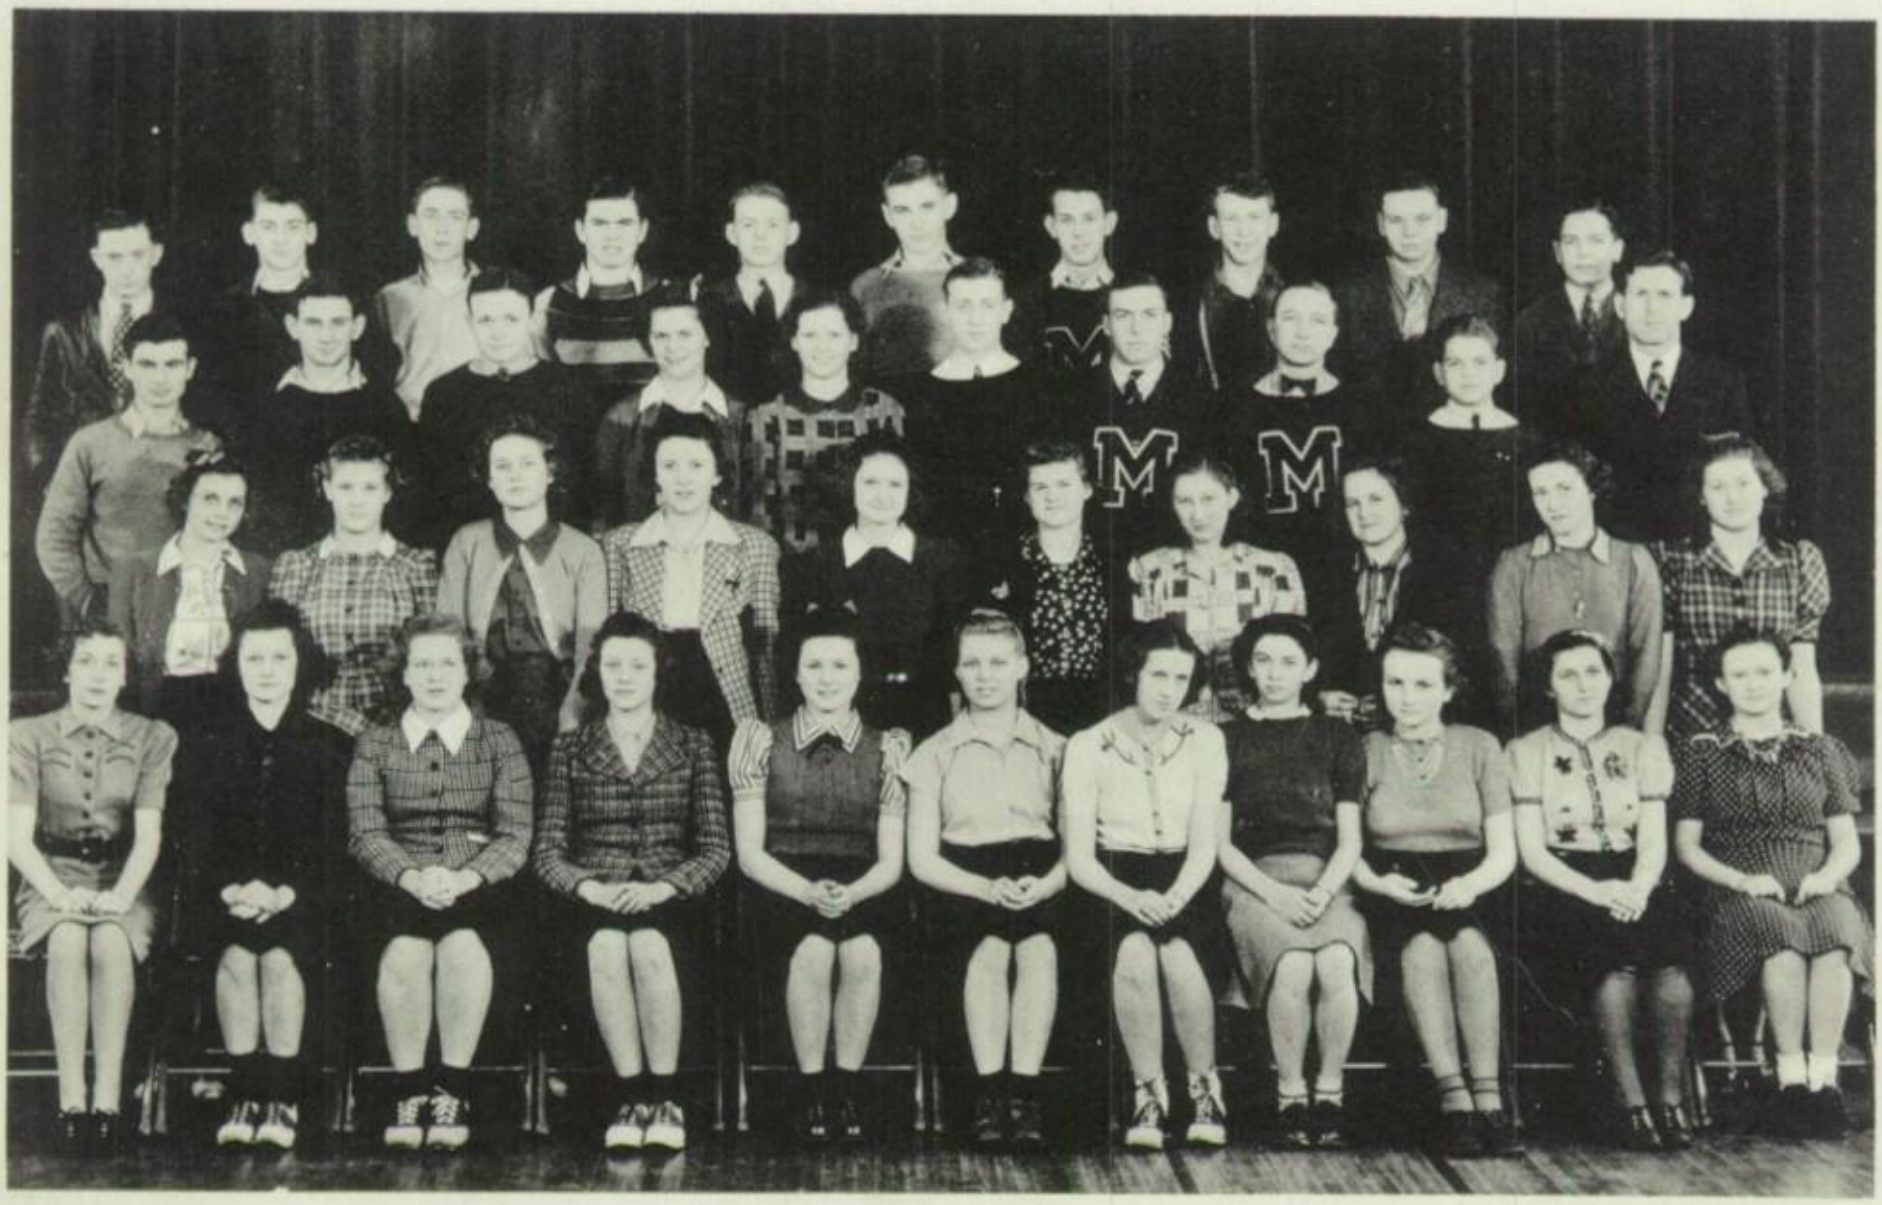
Junior Class

Of course this was our big year! Our freshman and sophomore years hold many pleasant memories, but this year we gave the Junior-Senior Banquet for our friends, the seniors.

Our class was well represented in our school activities. In October we had a Hay-Ride. On February 1, we presented "The Importance of Being Young," our first major venture into the dramatic field.

Our purpose is to promote the welfare of the school and our homes and to become able to help govern the school as efficiently as we can when we are seniors.

We chose John "Ozzie" Osborn as president; Dick Sesler as vice-president; and Bertha Williams as secretary-treasurer.



TOP ROW: H. McClenathan, J. Phillips, W. Davis, O. Bowman, D. Breese, J. Wolfe, J. Fate, B. Holtrey, C. Newhon, R. Sesler.

SECOND ROW: D. Fiscarelli, E. Turner, D. McWilliams, J. Keller, N. Smith, C. Coning, D. West, J. Osborn, W. Trainer, Mr. Hoy, adviser.

THIRD ROW: R. McClelland, D. Sweazy, M. Coleman, E. Parks, R. Mosher, S. Kasavage, J. Hull, J. Teeple, B. McCamman, H. Clark.

FOURTH ROW: D. Klotz, J. Wieland, P. Talmadge, M. Hobbs, P. Heacock, B. Shindledecker, M. Rice, W. Heskett, V. Watson, B. Geren, B. Williams.

Sophomore Class

In September we held our first class meeting. On October 29 we had a Hallowe'en party and scavenger hunt with Miss Campbell as our chaperon. Everyone had a grand time.

Our class is well represented in the various school organizations, including the Girl Reserves, Hi-Y, F. F. A., and athletics.

The ambitions of our class are many and varied. They include everything from nursing to joining the navy, but our main ambition is to make our school the best ever!

We chose the following officers for the year 1939-40: Geraldine Mitchell, president; Norman MacMillin, vice president; Donald Coning, secretary-treasurer.

TOP ROW: R. Corwin, J. Fate, J. Sesler, G. Jackson, K. Rhodes, D. Rhinehart, D. Coning, B. James, F. Corwin, D. Corwin, N. Jackson.

SECOND ROW: R. Patterson, C. Phillips, C. White, R. McNeal, C. McNeal, S. Miller, T. Crawford, D. Boyle, W. Ward, N. Higgins, D. McCombs.

THIRD ROW: J. Sterritt P. Hollingsworth, D. Whipple, C. Meadows, D. Partlow, V. O'Shaughnessy, D. Robinson, C. McClenathan, D. Canterbury, D. McCammon, R. Batchelor.

FOURTH ROW: E. West, M. Williams, P. Wakely, E. Case, B. Ireland, M. Bachelder, R. Harrison, G. Mitchell, J. Fate, B. Neal, Mr. Hopkins, adviser.

FIFTH ROW: G. Koch, H. Szalapato, J. Kasavage, E. Thompson, R. Masters, J. Geyer, C. Rhodebeck, N. McMillin, D. Wagner, M. Geiger, M. Perkins, K. Watts.

Freshman Class

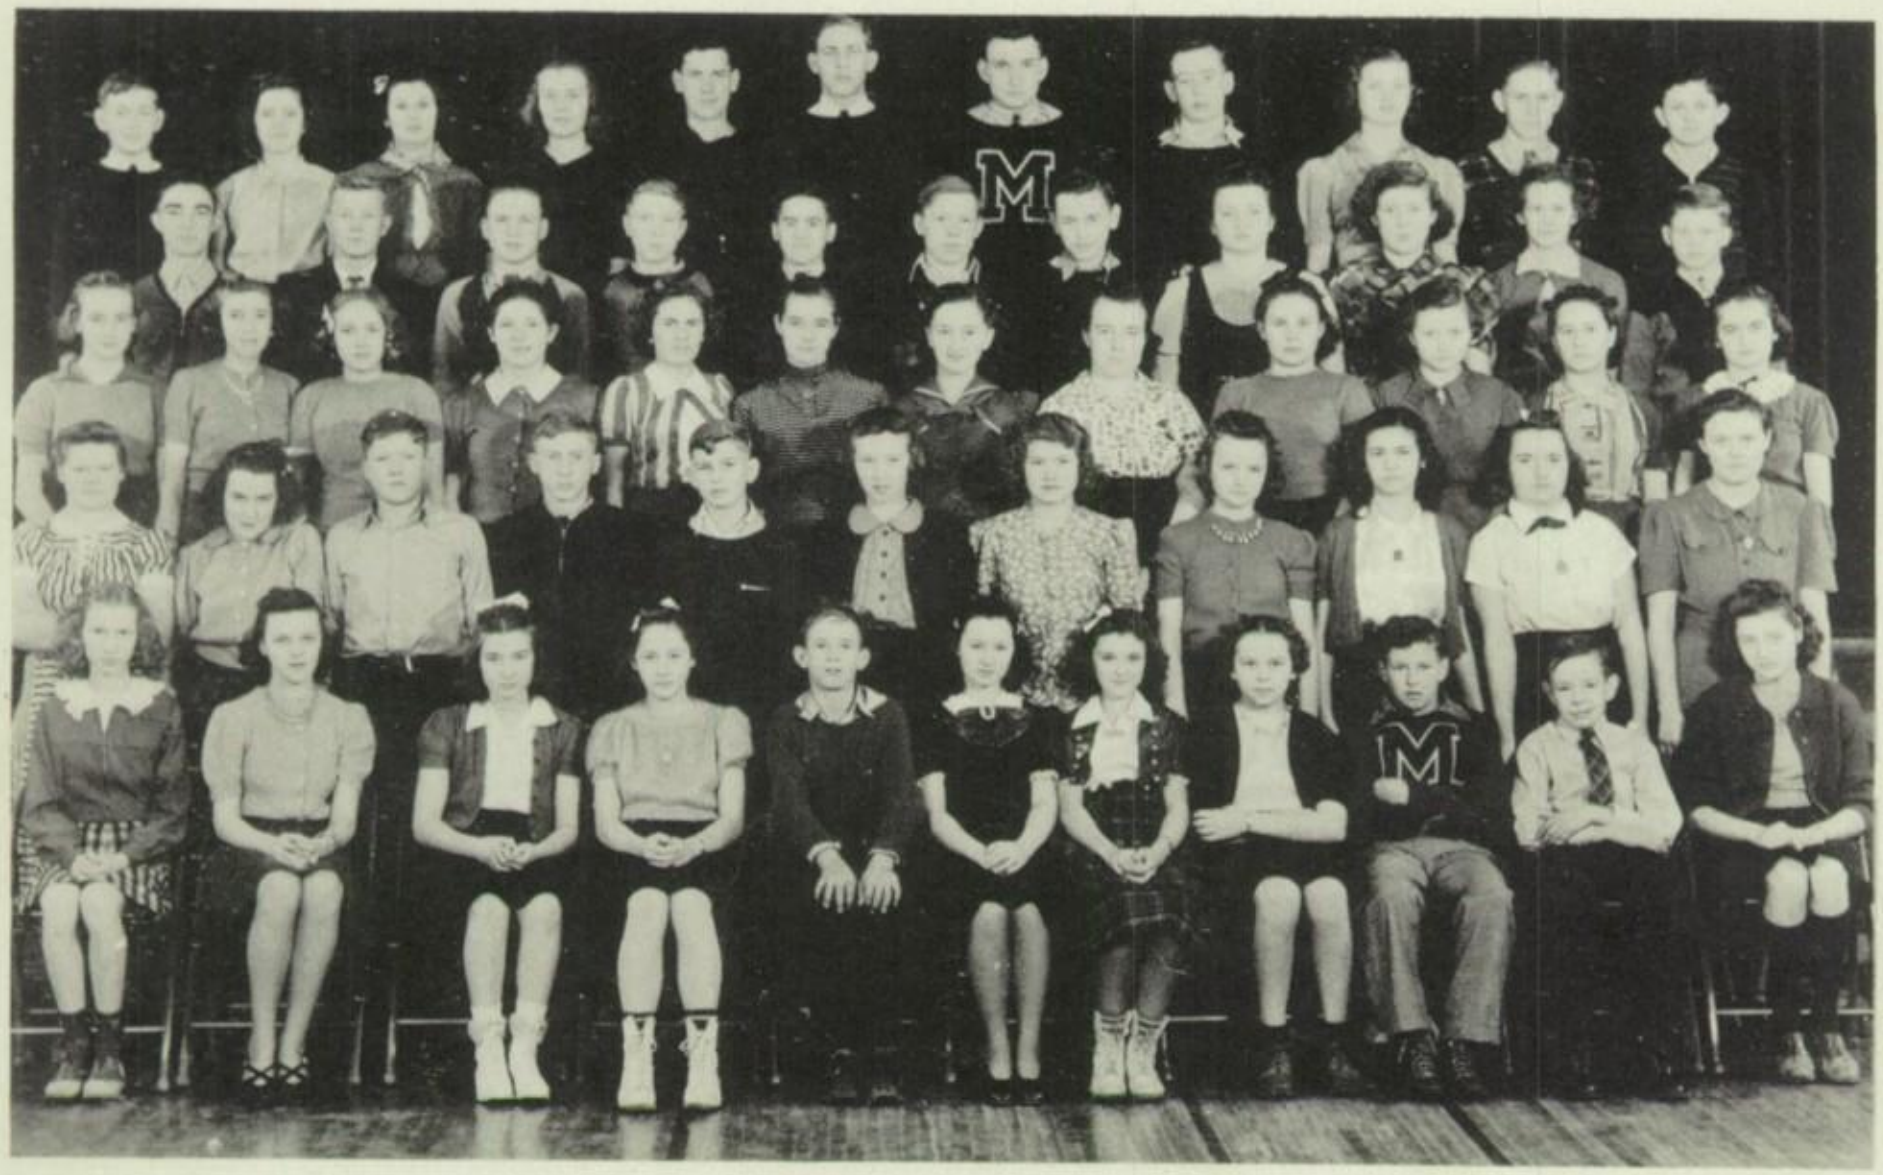
Our class entered school in September as freshmen and was given the traditional attention by older high school students. But after a few days of initiation, we once again settled down to a peaceful, happy school life.

We organized our class early in the year and chose as our officers: Harold Furbay, president; Don Rider, vice-president; Ann Myers, secretary and treasurer; and Miss Campbell, class adviser.

Our class aim is "Always to be true to Mt. Gilead, the school of the purple and white; to do our best in everything we do; and to do everything we are asked to do."

Our activities included Hallowe'en and Valentine parties.

In school spirit and cooperation, we are the joy of the school.



TOP ROW: T. Davis, E. George, J. Prugh, D. Bogart, R. Bowen, T. Losey, P. Dumbaugh, W. Lee, J. Masters, W. Meadows, L. Denton.

SECOND ROW: R. West, D. Roach, I. Giffin, D. Higgins, H. Furbay, K. Beardsley, R. Jaggers, E. Burkey, P. Beckley, H. Breese, R. Smith.

THIRD ROW: T. Davis, M. Linn, B. Wrhel, S. MacGregor, A. Bendle, J. Dix, J. McClain, J. Corwin, V. Ward, A. McClish, M. McManus, J. McWilliams.

FOURTH ROW: R. Martin, L. Jackson, D. Conant, C. Lamson, R. Knestrich, E. Buckley, H. Parks, M. Watson, E. Boyle, W. Keyes, Miss Campbell, adviser.

FIFTH ROW: F. Lee, T. Pschirer, L. Szalapato, P. Meyers, W. Turner, L. Potts, B. Evans, M. Nelson, A. Williams, D. Rider, V. Hopes.

FOURTH ROW: A. Irons, C. Denton, W. Meadows, O. Watkins, D. Clem, B. Ghent, E. Sterritt, W. Harper, L. Wagner, R. Heacock.

Our activities were a weiner roast at the State Lakes in October, a scavenger hunt at Hallowe'en, and a Christmas party held in our home room.

The officers of our class are William Wood, president; Margie Ann Dye, vice-president; Louise McCarty, secretary-treasurer.

For the first time, we've had the privilege of electing class officers. We elected Ruthella Gist, president; Rosemary Geyer, vice-president; and Pauline Whitaker, secretary-treasurer.

Our activities included a Hallowe'en masquerade, a Christmas party, and a chapel program.

Seventh Grade

TOP ROW: J. Shade, B. Brown, B. James, J. Klingel, P. Whitaker, M. Howard, G. Giffin, M. McManus, D. Patterson.

"The Grade School"

The Mt. Gilead Grade School has an enrollment of two hundred ninety-nine pupils, one hundred thirty-seven girls and one hundred sixty-two boys.

This year, in addition to a monthly chapel program prepared by each room, a weekly assembly program was introduced. Each room contributed a number and the programs proved to be very beneficial and entertaining. By this plan many more individual pupils are allowed to participate in the programs while all are given a chance to cooperate in creating the proper audience response to a program.

The major activity this year was the presentation of the operetta, "The Blue Belt," on April 11, by grades four, five, and six, under the supervision of Miss Gantz. Posters and some of the costumes and properties were made in art classes under the supervision of Miss Peoples.

Let's Put Out the Fire and Turn On the Heat . . .

HOW? By Cooking ELECTRICALLY!

. . . Kitchen Walls and Curtains Remain Clean and Fresh

THE MARION - RESERVE POWER COMPANY

The grade pupils have greatly appreciated the increase in facilities for recreation. Gravel on part of the playground has made it possible to use the swings, bars and teeters almost daily. The addition of a basketball court in the playground provided much fun and exercise. Even now the children are planning to have a "real" fifth and sixth grade basketball game for the gym floor next year.

Grade school children participated in the Red-Ribbon Spelling Contest in March, the County Spelling Contest in April, and the Blue-Ribbon Arithmetic Contest in May.

The final activities of the school year in which all the grades participated were the school exhibit on Monday evening, May 13, when the Parent-Teacher Association meeting was held in collaboration with a display of the pupils' work in each room, and the "May Day" program on Friday, May 24, under the direction of Miss Gantz and Miss Van Sickle.

Compliments of

DR. McNARE

The artistic ability of the grade children is proved by the pictures above. With the help of their art teacher, they have been able to make some unusual figures of art out of snow. They worked on their projects mornings, noons, and recesses. Some of them even went so far as to make some tombstones, historic figures, memorials, and animals of all kinds.

25TH ANNIVERSARY

MT. GILEAD ACTIVITIES

Band and Pep Band

With forty cooperative members in its ranks, the band has had a very successful year. Most of those who joined the band at the beginning of the year had had at least one year of experience to their credit, while some had two or three years. Some new members joined and, although they were not able to "hit all the notes," we hope they gained experience which will help them to eventually fill the vacant chairs which are left by graduating seniors.

We believe the band has added much to the success of the activities of our school. At the regular assemblies we played as the students entered and left the auditorium. Frequently we contributed other numbers on assembly programs. At one, which was given entirely by the Music Department, the band played several numbers. During the football season the band led the downtown pep rallies and added much to the enthusiasm of the student body. On the evening of May 6, a band concert was given in the auditorium, the proceeds of which went into a fund to purchase new uniforms for the band. We also led the annual Armistice and Memorial Day parades.

The pep band is an organization of those band members who were not on the football or basketball squads. We played at all pep meetings during the basketball season and were on hand at all home basketball and football games to add to the cheering of the loyal supporters of our teams.

Girls' and Boys' Glee Clubs

At the beginning of the school year these groups were open to anyone who liked to sing and wanted to become a member of a singing club. Individual voices were not tested for quality, and individuals were not tested on their ability to sing. In spite of this fact and the fact that each group met but once a week (and these meetings were sometimes called off for other activities), some good results were obtained. Each group appeared in public two or three times during the school year.

FRANK DALRYMPLE

High School Chorus

Music has long been considered one of the most important and most enjoyable activities which we have in our schools. It is a language which almost everyone can understand. It is evident not only in the realm of humans from the most primitive to the most cultured but also in the realm of bird life and other animals. It is a universal means of expression. Therefore, we at Mt. Gilead High like to sing!

The high school chorus is not just an organization for those people who can sing. If it were, the entire school might be included. It is an organization for those people who want to learn to sing better and to learn how to enjoy their singing more. The group is made up of the combined boys' and girls' glee clubs. There are several reasons for this. The most important of these is the fact that these people get some experience in the glee clubs which is not of value to them in the chorus. Furthermore, to receive credit for vocal music, it is necessary for each person to spend at least two periods each week in this activity. Since the glee clubs meet but once a week, these people must participate also in chorus in order to get the required number of hours of vocal music.

The chorus has made several public appearances. Perhaps the most important of these was the performance at the P. T. A. meeting on March 4 at which we sang three numbers. Then on Sunday morning, April 7 we sang for the Methodist Sunday School.

Aside from being a valuable organization to the people who participate we feel that this organization is an asset to our school. We hope that it will continue to grow and improve through succeeding years.

Girl Reserve

Highlights in the Girl Reserves' program of this year were sponsoring a dance, giving a chapel program, planning a Christmas party for younger children, attending church in a body, planning a Girl Reserve-Hi-Y party, and a "Mexican Fiesta."

The officers were Virginia Krout, president; Grace Wiswell, vice-president; Jean Haines, secretary; Maxine Page, treasurer.

The advisers were Miss Filiere, Miss Busby and Miss VanSickle.

Hi-Y

The purpose of the Hi-Y is to create, maintain, and extend throughout the school and community a high standard of Christian character.

Activities have included a dance, sale of candy, a donation to the Community Fund, group attendance at the churches, and bean feeds.

The officers were John McMillan, president; Dean Breese, vice-president; Robert Lee, secretary; Raymond Parks, treasurer; Mr. Barker, adviser.

Athletics in Mt. Gilead High School

Name a High School without athletics and you name one which has lost half of the features which are the main factors in the creation of school spirit. Without athletics you have deprived the students of the mutual joys and sorrows which are only derived from either the victory or defeat of the "team". So we find that athletics is the main bond which binds the students together into one body having mutual aims and desires. Because of these well known facts and also for physical development most High Schools indulge in athletic sports.

Mt. Gilead High has reason to be proud of her athletic prestige. The great majority of her teams have been winning ones. She has met and defeated time after time High Schools having from five to ten times her enrollment, besides many others of her own size. We are proud of our clean record and high grade of sportsmanship.

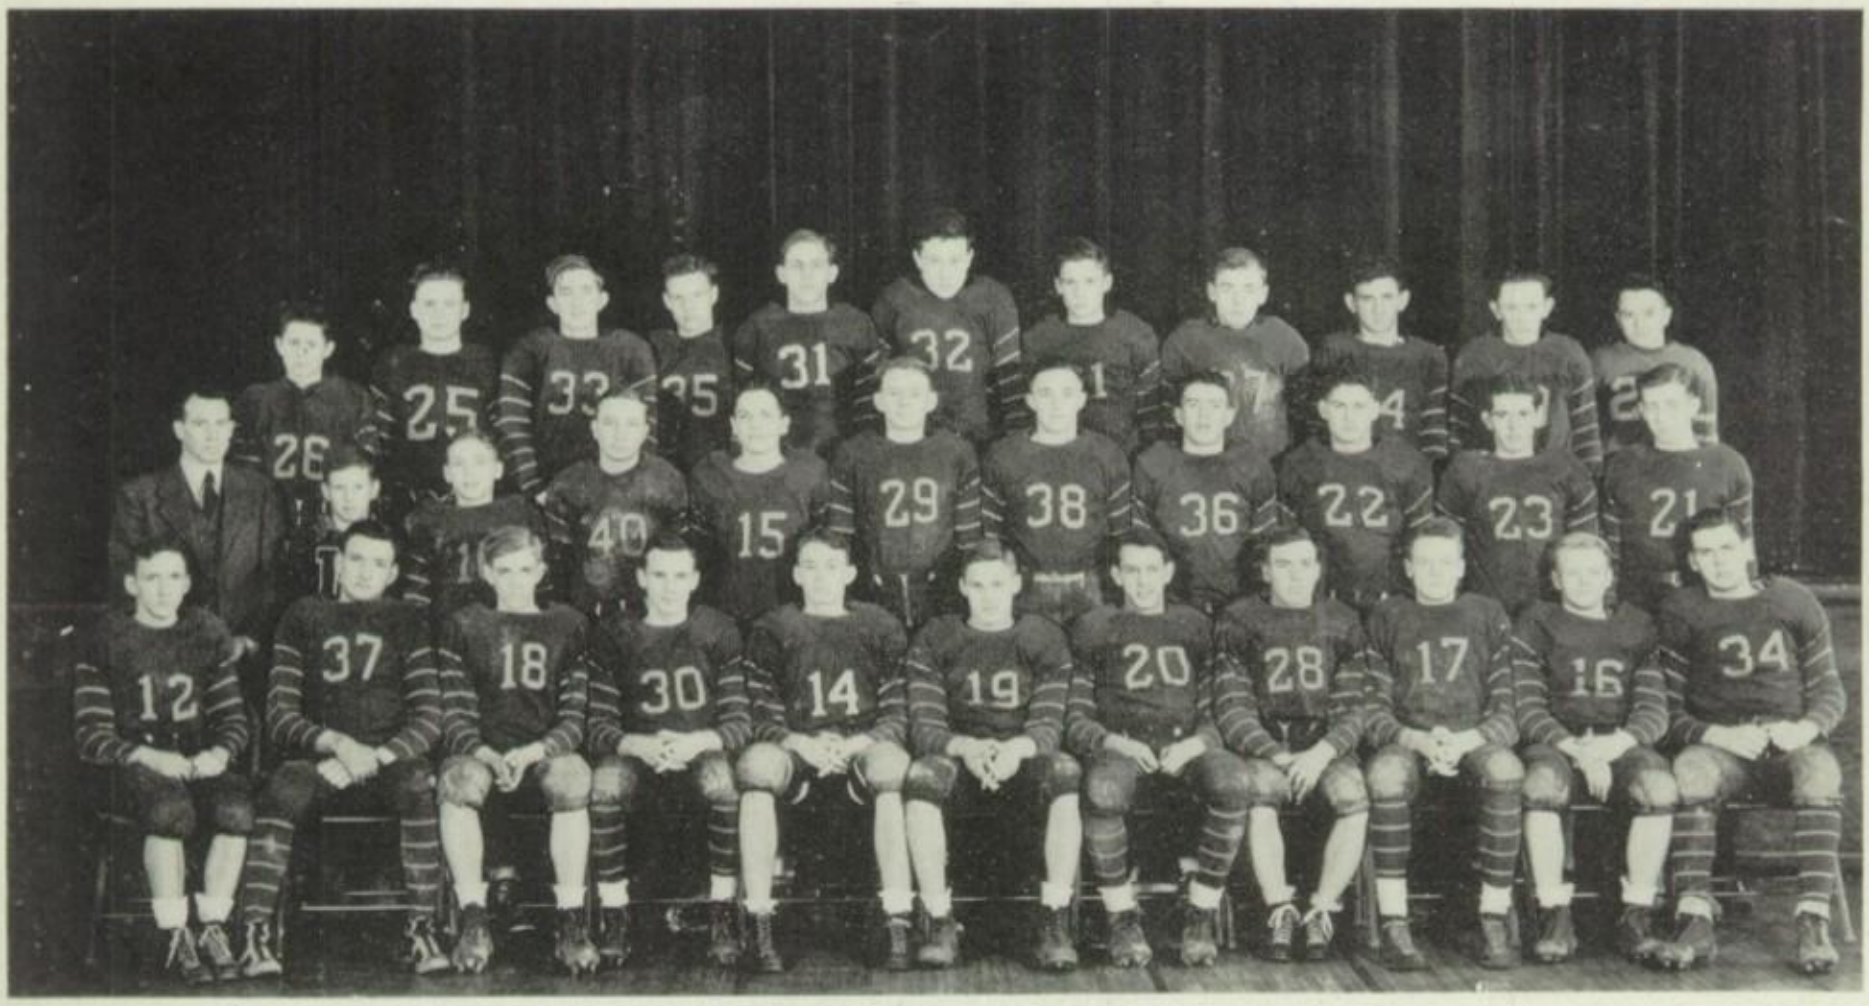
Our financial condition for the past few years has somewhat limited the number of teams which we are able to bring here. This fact is a deplorable one, and the only remedy seems to be an increased support by the student body. Our means of making up this deficit in past years has been that of holding Fairs. These seem to have been exhausted, since last year we cleared a very small sum. We hope that next year teams may be much more loyally supported than in the past, and that we may be put on a firm financial basis.

The past season we have been somewhat handicapped by the lack of suitable material, but, however, had a much better team than expected. Prospects for the coming year are good, and we hope that everyone shall make it their duty to come out and boost, that Mt. Gilead High shall regain that prestige which she had partially lost in the past season.

1915 ANNIVERSARY 1940

MT. GILEAD HIGH SCHOOL

MT. GILEAD ATHLETICS



Football

We started the season with but one returning varsity man. The team as a whole was very light, averaging about 145 pounds per man. We developed into a fast charging team with a good aerial attack and finished the season with a fairly good record.

We played one class "A" team and several strong class "B" teams. Injuries received at the start of the season hampered the team for the remainder of the year.

The team elected Tennant and M. Breese as co-captains.

THE SEASON

GALION—The Purple and White crew went down to defeat at the hands of a superior team. Galion boys outweighed our team and had a very fast back field who simply outran the overmatched Mt. Gilead team. Logan scored the only touchdown for us when he intercepted a Galion pass.

Galion - 42 . . . Mt. Gilead - 6

CAREY—Convinced that they weren't as bad as the former weeks showed, the Indians came out and played a heavier and faster Carey team almost to a standstill. We were convinced that they were lucky to beat us.

Carey - 6 . . . Mt. Gilead - 0

BUTLER—We won a game! On a slightly muddy field, the Indian warriors came to life. Butler scored first, but in the second quarter, Tennant went over from the nine-yard line. Parks blocked the only remaining man in Tennant's way. In the third quarter, Tennant passed to Fate who went over for a touchdown after a forty-yard run featured by a two man block by Logan.

Butler - 7 . . . Mt. Gilead - 13

SUNBURY—The fighting Indians showing a good passing attack took a very much heavier Sunbury team. Early in the first quarter, Batchelor scored from the one-yard line. This followed a sustained drive after the kickoff. Tennant's passes resulted in the other scores, Fate catching one in the end zone, and Davis one on the ten-yard line crossing the goal.

Sunbury - 7 . . . Mt. Gilead - 18

BELLEVILLE—Losing all semblance of our pep, we lost to a very good team. We just didn't seem to get going. Whipple and Ruhl played outstanding football. We were glad to forget this game.

Belleville - 26 . . . Mt. Gilead - 0

DANVILLE—After last week's game, we were expected to take Danville rather easily. However, we forgot that to win a game you have to knock down a good percent of the opponent's passes. This relapse enabled Danville to win.

Danville - 19 . . . Mt. Gilead - 7

LOUDONVILLE—We snapped out of the doldrums. Playing in a driving snowstorm, we whipped Loudonville. They scored in the first quarter, but from there on it was our game. Tennant passed to Fate for our first score. Shortly afterward Tennant pitched the ball to West for the winning touchdown.

Loudonville - 6 . . . Mt. Gilead - 13

ASHLEY—This was the last game for the seniors. We decided to do something about it, so we took Ashley into camp. Ashley led 12 to 0 at the end of the first quarter by using trick plays. Tennant and Batchelor each made a touchdown in the second quarter, to give the Indians a 13 to 12 lead at the half. In the second half we went to work. Tennant scored another touchdown on an end run. Near the end of the game, Wagner recovered a blocked Ashley punt for the final touchdown of the year. All scoring honors were held by seniors as Logan and Tennant made the two extra points.

Basketball

Starting the season with but one returning letterman, we could hope for only a fair season. The remainder of the team was composed of players who had received experience on the reserve team in 1939. Through extensive practice the team rounded into shape and began to show good form.

In journeying to Salem for an early season practice game, the Indians showed up very well.

We started the season exceptionally well, winning the first nine games. These victims included such notables as Sparta, county champions of 1939, and Galion, a class "A" team. After a field day at the expense of Marengo, we hit a snag at Centerburg.

With our winning streak ended and the pressure off, we settled down and won our next three games, scoring 65, 59, and 49 against Iberia, Ashley, and Johnsville. This won the county league title with an undefeated record in the county. A victory over Crestline, a class "A" school, avenged an earlier defeat at home.

With this under our belts we breezed through the county tournament averaging 51 points per game in the tournament.

With high hopes we went to the district tournament at Westerville, but Canal Winchester was the upsetting factor in these hopes.

Thus we finished a very good season, in which we won the county league cup and the county championship tournament cup. We had 2 players elected to the 1st team of the all-county squad, 2 to the second team and 1 to honorable mention. Tennant and D. Breese placed on the first team, J. Fate and M. Breese made the second team, and J. Logan received honorable mention.

This season we outscored our opponents 930 points to 618. Our average per game was 40.4. Tennant led our scoring with 210 points, averaging 9.13 points per game. Wolfe was second with 205 points, averaging 8.91 points per game. D. Breese, Logan and Fate also scored over 100 points individually.

At the close of the season the team elected Jack Logan and William Batchelor, honorary co-captains.

THE HYDRAULIC PRESS MFG. COMPANY — MOUNT GILEAD, OHIO

Vocational Education Department

Trades and Industries

H-P-M Employee Training

The Employee Training School, organized and conducted cooperatively through The Hydraulic Press Manufacturing Company, the Mt. Gilead Public Schools and the State Board of Vocational Training, is giving boys of this community an opportunity to learn the machinist trade, as well as earn a livelihood while they learn.

The course was inaugurated for the purpose of giving young men, graduating from our local high school, employment, as well as developing their natural abilities and training them as all round machinists, to compensate, in a way, the unusual demand in the industrial world for machine supervisors and instructors.

The school is conducted at the Hydraulic Press Manufacturing Company's Plant and is supervised by a full time instructor. This course requires four years of training. Upon its completion, each boy will have received over eight thousand hours of actual experience in the machine shop on all the major machines in the trade, and over eight hundred hours of individual instruction in such related subjects as shop arithmetic, shop algebra, shop trigonometry, sketching, strength of materials, properties of metals, machine design, hydraulic presses and equipment.

An Apprenticeship diploma will be issued to each boy by the Hydraulic Press Manufacturing Company and the State Board for Vocational Education. As an additional incentive a fifty dollar bonus will be given each boy who successfully completes the course.

The instructor in the training school is Mr. A. E. Moody.
